Dear mr Hsieh,

I am a little worried about our agreements.
You stated that I would receive the sales on previous month within 1 wk
but now 2 weeks have passed already since the end of august.

regards
eltjo

Dear mr Hsieh,

I learned that ITB has placed a PO end of july.
However it is not included in the PO-listing.
I want you to change it and guarantee that future data is correct.

You have said you will not pay any coin of all clients if I deal with only one of the clients on the list.
Then I will have the right that all clients are removed from the list and I can deal with them if any of the future
overviews is not correct. (FYI the list is still inconsistent, has not yet been approved and can be changed over
time)

regards
eltjo
